- SQL & noSQL knowledge.
- Focused on writing software for large data networks.
- Java, C, JSON, Web API, Git, Redis.
- Good knowledge on NMS.
- Very communicative.
- Experience working with bungeecord forks

KEY SKILLS

Consistent, very disciplined, resilient, always starving for the best quality, the only thing that we can control in our lives is our actions, our work ethic. I'm very determined and focused on what I do. I'm honest and I'm always in search of teaching and learning. I'm a very logical guy and that helps a lot when it comes to programming.
